Welcome to The 2016 Anaheim ANA Auction

The World Currency Department of Stack's Bowers Galleries is thrilled to present the World Banknote catalog for our official August 2016 auction of the ANA World's Fair of Money in Anaheim. Since the start of 2016, we have been accepting consignments and preparing the auction, while eagerly anticipating presenting this catalog to you. This particular auction is special to us, as it's the first auction we have held since acquiring Manifest Auctions, another auction house superpower. With their clientele, in addition to our ever-growing list of consignors, we have been able to showcase many items that have never been seen in public auction, along with many items that are the finest known of their catalog number.

Serial Number 1 notes are coveted among collectors for the obvious prestige of owning the first note off the block. In some cases, these do not carry a premium. However, when you couple that serial number with a popular, rare, or highly desirable issue, you find that the notes become flagship items that any collector would wish to have. Our sale features two such pieces. The New Zealand 1934 10 Shillings is seen with the Z block's Serial Number 1 in Very Choice New condition by PCGS. The other rare offering is the Dominion of Canada's 1923 \$2 A Block Serial Number 1 with what we believe, after tracing the pedigree of the note, is Prince Edward of Wales' signature.

We are pleased to offer some exciting Design Proposals and Artist Proofs, including but certainly not limited to a Qatar Monetary Agency 500 Riyals design. This uniface design showcases some of the typical features found on notes from that agency at the time. The design was never issued to the public, so it is plausible that the note is unique. We will also be offering an exemplary Artist Proof of an Indian, Hyderabad Hand Painted 1000 Rupee Note seen printed on Waterlow & Sons thick cardstock. A significant feature of this proof is the Waterlow & Sons stamped seal embossed on the bottom right. This is another proof we feel is likely unique, as this was not the design that was ultimately chosen for the issued version of the note.

Two Specimen Proofs highlight the French section of our catalog. These are prominent notes that we have never offered, and that you will be unlikely to see again in a public auction for quite some time. These rare "Moliere" 50,000 Francs and "Colbert" 500 Francs pieces (as they are known to French collectors), both exhibit exceptionally large margins, as they were created for size fitting purposes. Without serial numbers and watermarks, these also feature problem free PMG Gem Uncirculated 66 EPQ paper. We believe that these notes will easily become highlights in any serious collection as a result of their scarcity and exceptional state of preservation.

The ANA World's Fair of Money sale is always one of our finest auctions of the year, and we anticipate this sale to continue that trend. With all of the rarities and never before seen pieces we are offering, we expect a collector driven auction with a large, attendance that will make this sale a huge success. As always, we thank you for your interest in our auction, and hope you will not hesitate to reach out to us if you have any questions regarding the lots offered here.

With Sincere Appreciation,

Aris Maragoudakis

Impressive Book of South American Specimens

ARGENTINA

30006 American Bank Note Company and Waterlow & Sons. South American Specimen Book. Various Countries. Mixed Denominations. A large brown hardbound leather book containing a variety of Specimens from various South American Countries. Printer's include American Bank Note Company, Waterlow & Sons, and Bradbury Wilkinson. The book also has a few pages that contain a variety of vignettes and motifs that were used by the mentioned printers in their designs. All of the specimens are mounted onto thicker card stock pages. The Specimens each contain punch cancellations at their signature panels and red Specimen serial numbers and overprints. Over 100 Specimen pieces are seen in addition to over 40 vignettes. Some of the interesting pieces include a page with a trio of 100, 500, and 1000 Sucres from the Banco Internacional in Guayaquil, Ecuador. Each note is larger than average with the notes increasing in size with the denomination. A couple of rare Specimens from Barranquilla, Colombia are also seen in denominations 1, 2, 5, 10, 20, 50 and 100 Pesos.

Another interesting set contained in the book is P-S121- S126, 1 to 100 Pesos from Guatemala's Banco Colombiano. These notes are all seen with the entire salvage still attached which is incredibly rare, especially fully in tact. Lastly, and perhaps one of the more striking pieces, is the 100 Mil Reis Specimen from the Bank of Brazil. Seen with a vignette of a train at center, an allegorical woman at right. A man is seen at left with arrows in his body, leaned up against the tree, which is perhaps one of the most graphic images you will find on a banknote. We are privileged to be offering this book, and do not believe another like it will show up anytime in the near future.

BERMUDA

- 30023 Bermuda Government. 1 Pound, 1861. P-5.** A note missing in most collections and especially with this much appeal as the current example borders on an Extremely Fine state. Terrific bay view at central vignette with arms left, KGV cameo right. Problem-free paper and traces of original embossing. A small spot stain at back is likely all that prevented an "EPQ" designation from PMG. PMG Choice Very Fine 35..... \$2000-\$3000

- 30024 British Administration. 1 Pound, 1952. P-20a.** This is the earliest issue of an extremely popular design among any collector of Bermuda. BRITISH GUIANA

- 30064 Government of British Guiana. 10 Dollars, 1942. Even circulation and problem-free paper for the grade keep the appeal high and nice centering also furthers the desirability. Common for the series styling with a toucan at left and Kaieteur falls at center. Interestingly the portrait vignette of KGV I changed from three quarter facing on the lesser denominations, to a full facing vignette found here. A great opportunity that likely will not be replicated in the near future, bid accordingly.

30072 Dominion of Canada. 4 Dollars, 1900. DC-16. This important low numbered Four Dollar note will certainly attract attention from collectors. Four counters at upper left and right in favor of the otherwise used FOUR on the later 1902 series notes. A wallet stain at back is observed and mentioned by PMG in the comments section of the holder. This serial number is one of the lowest known for the catalog number. **PMG Very Fine 20.....\$1250-\$1750**

Attractive Dominion \$4

CANADA

Problem-free mid-grade examples of this catalog number are hard to come by and this piece is just that with even circulation and great color and detail remaining.
PMG Very Fine 30..... \$3000-\$4000

- 30075 Dominion of Canada. 4 Dollars, 1902. DC-17b. FOUR at top left and right. Well circulated, but a type that increases dramatically in price passed this Fine condition. Some splits and a pencil annotation is observed and mentioned by PMG in the comments section of the holder.

Finest PMG Graded DC-18d-i

Newly Discovered Serial #1 Canadian Rarity

CANADA

30081 Dominion of Canada. 2 Dollars, 1923 Series A-B. P-DC-26a. We are very excited to offer the \$2 DC-26a 1923 A-B Black Seal Serial Number 1 with what appears to be the courtesy signature of Prince Edward.

This rarity has multiple attractions for collectors. With only 20 graded by PMG, it is evident that the note in any condition is special. This is also the last Two Dollar note design prior to the establishment of the Bank of Canada. There are many different issues of this type, but first issues are very desirable, especially those bearing a coveted Serial Number 1.

This ornate note faces up very well. Its intricate design features a portrait of Prince Edward of Wales wearing the Uniform for the Welsh Guards. Interestingly enough, the original photographer of the photo used for this design claimed that the Canadian Bank Note Company committed copyright infringement on his creative property. The CBNC claimed it was not intentional and a friendly settlement was sought to resolve the matter.

The oral history from the consigning family states that the note was given to The Prince of Wales (later King Edward VIII) when he was visiting Canada in 1923. He signed the note and presented it to his aide-de-camp, Fruity Metcalf. The aide-de-camp was in charge of the Prince's visit to the Royal Family's ranch in Alberta, Canada. The note made its way back to England and traded hands between friends of ADC Metcalf before it entered the family of the current owners in 1986. In 1986 a friend of the current owner brought the note from England to Expo 86 in Vancouver and rather than sell it to a dealer, the hosting friend directly purchased the note. While the signature has not been authenticated, we feel we have gathered enough information to assume that it is likely that it is. It is fair to assume that the handful of other Dominion and Chartered #000001 notes that exist probably share a similar type of history. But it is certainly rare to be able to trace back a note's pedigree to its original presentation to The Prince of Wales.

Close inspection reveals the true technical beauty this note possesses with deeply embossed overprints, exceptional centering and crisp detail throughout. The most recent to sell at an Uncirculated level was a PMG Choice Uncirculated 64 EPQ note that brought \$4,935 in an April public sale earlier this year, this Gem note should certainly exceed that realization. **PMG Gem Uncirculated 65 EPQ. \$2000-\$3000**

Scarce 100 Dollar Denomination

Fantastic Port Hope Trophy

CANADA

- 30103 Royal Canadian Bank. 1 Dollar, 1865. P-CAD635100402.** Here is a newly discovered Canadian rarity that is likely to catch collectors off guard for two reasons. First, while the census for all 1865 One Dollar Royal Canadian Bank banknotes hasn't been made public, it would appear based on research that no more than a handful of the year and denomination are available to collectors. Secondly, and much more importantly, this note has a Port Hope overprint. The Charlton reference does not even include Port Hope as an overprint possibility for this bank. In fact, only The Bank of Toronto and The Commercial Bank of Canada list Port Hope as an overprint possibility.

The note offered here is a very attractive PMG Very Fine 20 Net Restoration. It would appear that this note has the perfect combination of rarity, condition, and location. Expect spirited bidding.

Historical Fanning Islands Rarity Fully Intact One Pound Note

FANNING ISLAND

- 30193** Fanning Island Plantations LTD. 1 Pound, 1940. P-100. (Schwan-Boling 1541b) This classic and highly sought after World War II Emergency Note was issued on Fanning Island which is the closest landmass to Hawaii. The area was first discovered by Captain Edmund Fanning of the American ship Betsy in 1798. At the time, this atoll was uninhabited like the other Line Islands. Once it became a known island, it was visited by other seamen thereafter. It was formally annexed to Great Britain in 1888. By 1902 it was used as part of the All Red Line, a system of electrical telegraphs that linked much of the British Empire, when it became a relay station for the Trans-Pacific Cable between Canada and Australia. The station was later attacked by the Germans in 1914 posing as the French. By the time employees noticed, it was too late. The cable station was ruined, and became inoperable. However, a connection was reestablished two weeks later thanks to Hugh Greig, who dove for the severed ends of the cable.
- Then in 1942, US Soldiers were stationed on the island. A depletion of the supply of Australian Currency occurred as the influx of soldiers caused a shortage of money to go around. R.G. Garrett, who managed the area, ordered 3,000 emergency banknotes from Honolulu to fulfill the demand. His signature is printed on the bottom right of all the banknotes. However, many of those notes were never actually issued. Most of these scarce examples that exist today are cut in half, because they were once used as admission tickets for movie theatres. Those halves eventually became one and two Shilling notes and were recirculated. Very few notes are known to be fully intact. This note however, is one of the very few survivors. It is seen here in immaculate condition, and far nicer than any that have been available in public auction. PMG Choice Uncirculated 64 EPQ. \$7500-\$10,000

Coveted Moliere Specimen Proof

FRANCE

- 30222 Banque de France. 50,000 Francs, ND (1959-66). P-145sp. Specimen Proof.** Known to seasoned collector's as Moliere. Designed by Euvre de Le Feuvre. Engraved by Miarliat et Beltrand. Intaglio printing designed by Piel. Specimen Proof (ver. 2), which was specially designed for size fitting purpose. This note was created during Charles de Gaulle's term. Decisions regarding this note and latter series were made by Charles de Gaulle. Usually France's Specimen Proof notes are already in the same size like the issued version. The issued version of this Specimen Proof note was finally issued as 500 Nouveaux Francs on July 2nd, 1959 as its first date of issue, officially declared as legal tender on December 2nd, 1960, with size 97x182mm. There is no issued version for this 50,000 Franc note. The only available versions are: Specimen Proof (ver. 1) note, Specimen Proof (ver. 2) note, Specimen note (without registration #), and as a remainder that they later used for the also unissued 500 Nouveaux Francs on 50,000 Franc Contre-Valeur series. On December 27th, 1958; President Charles de Gaulle announced the old French franc devaluation, by removing Two zeroes on it. So it deemed unnecessary to issue this 50,000 Franc note. This example is seen with Moliere at center, and the theatre in the background. No watermark is seen. Stunning Princely States Artist Essay

- 30261 Hyderabad. 1000 Rupees, ND. P-UNL.** This marvelous Artist Essay exudes everything collectible about Indian paper money. This stunning piece is hand drawn and painted on thick Waterlow & Sons card stock. At the bottom right, on the matted card stock, a significantly embossed, circular and desirable Waterlow & Sons Specimen seal is stamped. This rarity is adorned by the 5 languages of Kannada, Marathi, Urdu, Telugu and English signifying the denomination. This initial design, is likely unique as it is not the same as the issued version, P-S267, which features the Hyderabad seals at the top corners of the note instead of on each side of the vignette of The Charminar under the Star and Crescent Moon at center.

The most striking difference between this artist's proposed design and the issued note, is the absence of The Charminar. This monument and mosque in Hyderabad, Teleganda was constructed on the bank of the Musi River in 1591. The name Charminar translates to Four Towers, a fitting name when staring at the structures extravagant minarets. The symmetric architectural marvel also features four giant archways. As one of the most visited and recognizable structures in India, it's widely accepted that the purpose of the monument was to be at the cities center and signify the eradication of the plague. There are in fact many other theories and explanations as to why it was built ranging from celebrating the Second Islamic Millennium, to a tale where one historian believes Qutb Shah constructed the Charminar because it was where he first saw his Queen. However, many established historians have stated that is false, even though in some circles that story is still shared today.

When it is all said and done, it cannot be argued that this version of the 1000 Rupees design is more desirable from a visual perspective, than the actual issued note. Even though the issued notes are extremely rare, they lack the beauty and cultural significance that is presented in this unique piece.

Serial Number 1 New Zealand Rarity

NEW ZEALAND

30347 The Reserve Bank of New Zealand. 10 Shillings, 1934. P-154. This is a highly significant item and arguably the most important banknote known to exist for all of New Zealand. It traces its pedigree directly back to A.D. Park. Park was the Secretary of the Treasury from 1929-1935. He was presented the note by the Directors of the Reserve Bank when these notes were first issued in 1934.

These Ten Shilling notes feature a kiwi and a Maori chief and are quite rare in AU condition or better. This would be a valuable note just for its condition alone. However, the serial number Z000001 moves the note into a category where it isn't just a rare collectible item, it is also a tangible piece of New Zealand's financial history.

As a comparable sale, Australia's first Commonwealth Issued Banknote, a 1913 Ten Shillings note, last traded hands privately in 2008 for 1.8 million AUD (according to The Sydney Morning Herald). Our estimate here of just \$50,000 to \$100,000 USD could be extremely conservative. **PCGS Very Choice New 64. Serial Number 1..... \$50,000-\$100,000**

Rare Saarland Specimen Set

SAARLAND

30402 Treasury of Sarre. 1 to 100 Mark, 1947. P-3s to 8s. Specimens. 6 pieces in lot. This is the first time we have had the opportunity to offer this very rare, and seldom seen specimen set. In many instances, most of the pieces here have not been offered certified in this condition, especially in the higher denominations. That makes the opportunity to acquire these pieces even more exciting. All notes contain a finely perforated specimen across the face, which to many is preferred in comparison to the distracting bold red overprints that typically come printed on top of specimen pieces. All notes are seen problem-free with the exception of a little bit of toning on a fraction of them, and on the 50 Mark which contains archival rust as mentioned on the holder. A set like this is not likely to come around again for quite some time. Terms & Conditions

1. Auction Basics. This is a public auction sale ("Auction Sale") conducted by bonded auctioneers, Stack's Bowers Galleries or Stack's Bowers and Ponterio (hereinafter referred to as "Auctioneer" and at times as "Stack's Bowers"). Bidding in this Auction Sale constitutes acceptance by you ("Bidder") of all the Terms of Sale stated herein. Bidders may include consignors who may bid and purchase lots in the Auction Sale consigned by the consignor or by other consignors pursuant to their consignment agreement with Stack's Bowers ("Consignor" or "Consignors"). A Consignor that bids on their own lots in the Auction Sale may pay a different fee than the Buyer's Premium charged to all other Buyers. Stack's Bowers reserves the right to include in any auction sale its own material as well as material from affiliated or related companies, principals, officers or employees. Stack's Bowers may have direct or indirect interests in any of the lots in the auction and may collect commissions. THE TWO PRECEDING SENTENCES SHALL BE DEEMED A PART OF THE DESCRIPTION OF ALL LOTS CONTAINED IN THE CATALOG. Where the Consignor has repurchased a lot and the lot is either returned to the Consignor or otherwise dealt with or disposed of in accordance with the Consignor's direction, or pursuant to contractual agreement, Stack's Bowers reserves the right to so note in the prices realized or to omit a price from the prices realized. Stack's Bowers and its affiliates may bid for their own account at any auction. Stack's Bowers and its affiliates may have information about any lot that is not known publicly, and Stack's Bowers and its affiliates reserves the right to use such information, in a manner determined solely by them and for their benefit, without disclosing such information in the catalog, catalog description or at the auction. Bidder acknowledges and agrees that Stack's Bowers and its affiliates are not required to pay a Buyer's Premium, or other charges that other Bidders may be required to pay and may have access to information concerning the lots that is not otherwise available to the public. Any claimed conflict of interest or claimed competitive advantage resulting therefrom is expressly waived by all participants in the Auction Sale. Lots may carry a reserve ("Reserve"). A Reserve is a price or bid below which the Auctioneer will not sell an item or will repurchase on behalf of the Consignor or for Stack's Bowers. Reserves may be confidential and not disclosed. The Buyer is the Bidder who makes the highest bid accepted by the Auctioneer, and includes the principal of any Bidder acting as an agent.

2. Descriptions and Grading. Bidder acknowledges that grading of most coins and currency in this Auction has been determined by independent grading services, and those that are not may be graded by Stack's Bowers. Grading of rare coins and currency is subjective and, even though grading has a material effect on the value of the coins and currency, grading may differ among independent grading services and among numismatists. Stack's Bowers is not responsible for the grades assigned by independent grading services, and makes no warranty or representation regarding such grades. Bidder further acknowledges and agrees that grades assigned by Stack's Bowers and lot descriptions are based solely upon an examination of the coins and currency and are intended to identify coins and currency and note any perceived characteristics. However, coin grading and descriptions are subjective. Stack's Bowers does not warrant the accuracy of such grading or descriptions, nor do they in any way form the basis for any bid. All photographs in this catalog are of the actual items being sold but may not be the actual size or to scale.

3. The Bidding Process. The Auctioneer shall have the right to open or accept the bidding on any lot by placing a bid on behalf of the Consignor or his or her agent; a Bidder by mail, telephone, Internet or telefax; or any other participant in the Auction Sale. Bids must be for an entire lot and each lot constitutes a separate sale. All bids must be on increment as established by the Auctioneer, or half increment (a cut bid). Non-conforming bids will be rounded down to the nearest full increment and this rounded bid will be the bidder's high bid. No lot will be broken up unless otherwise permitted by the Auctioneer. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise. All material shall be sold in separate lots to the highest Bidder as determined by the Auctioneer. Auctioneer shall have the right in its sole and absolute discretion to accept or decline any bid, establish bid increments, challenge any bid or bidding increment, to reduce any mail bid received, adjudicate all bidding disputes, to exclude any bidder and to determine the prevailing bid. The Auctioneer shall have the right, but not the obligation, to rescind the acceptance of any bid and place the lot(s) for Auction Sale again. Auctioneer's decision on all bidding disputes shall be binding and final. For the mail and Internet Bidder's protection, no "unlimited" or "buy" bids will be accepted. When identical bids are received for a lot,

preference is given to the first bid received as determined by the Auctioneer. A mail bid will take precedence over an identical floor bid; a Floor Bidder, Telephone Bidder and Live Internet Bidder must bid higher than the highest mail bid to be awarded any lot. Cut bids are only accepted on bids greater than \$500 and each bidder may only execute one cut bid per lot. Bids will not be accepted from persons under eighteen (18) years of age without a parent's written consent which acknowledges the Terms of Sale herein and agrees to be bound thereby on behalf of the underage Bidder. The auction sale is complete when the Auctioneer so announces by the fall of the hammer or in any other customary manner.

THIS IS NOT AN APPROVAL SALE. Bidders who physically attend the Auction sale, either personally or through an agent ("Floor Bidders") should carefully examine all lots which they are interested in purchasing. Bidders who bid by telephone, either personally or through an agent, or through our live auction software receive a similar benefit as Floor Bidders in being able to actively participate in the live Auction Sale ("Telephone Bidders" and "Live Internet Bidders"). Except as otherwise expressly provided in these Terms of Sale, NO PURCHASED ITEMS MAY BE RETURNED FOR ANY REASON. All prospective Bidders who examine the lot(s) prior to the Auction Sale personally assume all responsibility for any damage that Bidder causes to the lot(s). Stack's Bowers shall have sole discretion in determining the value of the damage caused, which shall be promptly paid by such Bidder.

Certain auctions or auction sessions, will be conducted exclusively over the Internet, and bids will be accepted only from pre-registered Bidders.

STACK'S BOWERS IS NOT RESPONSIBLE FOR ANY ERRORS IN BIDDING. All Bidders should make certain to bid on the correct lot and that the bid is the bid intended. Once the hammer has fallen and the Auctioneer has announced the Buyer, the Buyer is unconditionally bound to pay for the lot, even if the Buyer made a mistake. Stack's Bowers reserves the right to withdraw any lot at any time, even after the hammer has fallen, until the Buyer has taken physical possession of the lot. No participant in the Auction Sale shall have a right to claim any damages, including consequential damages if a lot is withdrawn, even if the withdrawal occurs after the Auction Sale.

4. Bidder Registration Required. All persons seeking to bid must complete and sign a registration card either at the auction or online, or otherwise qualify to bid, as determined in the sole discretion of the Auctioneer. By submitting a bid, the Bidder acknowledges that Bidder has read the Terms and Conditions of Auction Sale, the descriptions for the lot(s) on which they have bid, and that they agree to be bound by these Terms of Sale. This agreement shall be deemed to have been made and entered in California. The Bidder acknowledges that the invoice describing a lot by number incorporates the catalog and Terms of Sale. Person appearing on the OFAC list are not eligible to bid.

5. Buyer's Premiums. A premium of seventeen and one-half percent (17 1/2%) based upon the total amount of the hammer (minimum of \$15), will be added to all purchases of individual lots, regardless of affiliation with any group or organization (the "Buyer's Premium"). A reacquisition charge may apply to Consignors pursuant to a separate agreement, which may be higher or lower than the Buyer's Premium.

6. Payment. Payment is due immediately upon the fall of the auctioneer's hammer. Payment is delinquent and in default if not received in full, in good funds, within fourteen (14) calendar days of the Auction Sale (the "Default Date"), without exception, time being of the essence. Unless otherwise agreed in writing prior to the Auction Sale, all auction sales are payable strictly in immediately available good U.S. funds, through a bank in the United States. Payments may be made by credit card, Paypal, check, wire transfer, money order and cashier's check. Cash transactions will be accepted in the sole discretion of Stack's Bowers, and if accepted, for any cash transaction or series of transactions exceeding \$10,000, a Treasury Form 8300 will be filed. Contact Stack's Bowers for wiring instructions before sending a wire. Bank wires sent from a foreign bank are subject to an international bank wire fee of \$35. We accept payment by Visa, MasterCard, American Express, Discover or Paypal for invoices up to \$2,500, with a maximum of \$10,000 in any 30 day period. All payments are subject to a clearing period. Checks drawn on U.S. banks will be subject to up to a 10 business day hold, and checks drawn on foreign banks will be subject to a 30 day hold. Stack's Bowers reserves the right not to release lots for which good funds have not yet been received. On any past due accounts, Stack's Bowers reserves

Terms & Conditions (cont.)

the right, without notice, to extend credit and impose carrying charges (as described below). Buyers agree to pay reasonable attorney's fees and cost incurred to collect past due accounts. Buyers personally and unconditionally guarantee payment in full of all amounts owed to Stack's Bowers. Any person submitting bids on behalf of a corporation or other entity, by making such bid, agrees to be personally jointly and severally liable for the payment of the purchase price and any related charges and the performance of all Buyer obligations under these Terms of Sale and Stack's Bowers reserves the right to require a written guarantee of such payments and obligations. Bidders who have not established credit with Stack's Bowers must furnish satisfactory information and credit references and/or deposit at least twenty-five percent (25%) of their total bids for that Auction Sale session(s) or such other amount as Stack's Bowers may, in its sole and absolute discretion require before any bids from such Bidder will be accepted. Deposits submitted will be applied to purchases. Any remaining deposits will be promptly refunded, upon clearance of funds.

7. Sales Tax. Buyers will be charged all applicable sales tax, including Buyers who pick up at this Auction or shipments to Buyers in California and New York without a valid Resale Certificate which has been provided to the Auctioneer prior to the auction. Please note that the purchase of any coin or bullion lot(s) with a price, including the Buyer's Premium, in excess of: (i) One Thousand Dollars (\$1,000), for auctions held in Maryland, are exempt from Maryland sales tax, and (ii) One Thousand Five Hundred Dollars (\$1,500) are exempt from California sales tax. These exemptions do not apply purchases of currency. Purchases of coins and currency are exempt from sales tax in Illinois. Please note, this is not, and is not intended to be, a complete description of applicable sales tax laws in all jurisdictions. In the event any applicable sales tax is not paid by Buyer that should have been paid, even if not such tax was not collected by Stack's Bowers by mistake, error, negligence or gross negligence, Buyer nonetheless remains fully liable for and agrees to promptly pay such taxes on demand, together with any interest or penalty that may be assessed by the taxing authority.

8. Financial Responsibility. In the event any applicable conditions of these Terms of Sale herein are not complied with by a Buyer or if the Buyer fails to make payment in full by the Default Date, Stack's Bowers reserves the right, in its sole discretion, in addition to all other remedies which it may have at law or in equity to rescind the sale of that lot or any other lot or lots sold to the defaulting Buyer, retaining all payments made by Buyer as liquidated damages, it being recognized that actual damages may be speculative or difficult to compute, and resell a portion or all of the lots held by Stack's Bowers, in a commercially reasonable manner, which may include a public or private sale, in a quantity sufficient in the opinion of Stack's Bowers to satisfy the indebtedness, plus all accrued charges, and Stack's Bowers may charge a seller's commission that is commercially reasonable. More than one such sale may take place at the option of Stack's Bowers. If Stack's Bowers resells the lots, Buyer agrees to pay for the reasonable cost of such sale, together with any incidental costs of sale, including reasonable attorney's fees and costs, cataloging and any other reasonable charges. Notice of the sale shall be by U.S.P.S. Certified Mail, Return Receipt Requested to the address utilized on the Bid Sheet, Auction Consignment and Security Agreement or other last known address by Stack's Bowers. The proceeds shall be applied first to the satisfaction of any damages occasioned by Buyer's breach, then to any other indebtedness owed to Stack's Bowers, including without limitation, commissions, handling charges, carrying charges, the expenses of both sales, seller's fees, reasonable attorneys' fees, costs, collection agency fees and costs and any other costs or expenses incurred. Buyer shall also be liable to Stack's Bowers for any deficiency if the proceeds of such sale or sales are insufficient to cover such amounts.

Buyer grants to Stack's Bowers, its affiliates and assignees, the right to offset any sums due, or found to be due to Stack's Bowers, and to make such offset from any past, current, or future consignment, or purchases that are in the possession or control of Stack's Bowers; or from any sums due to Buyer by Stack's Bowers, its affiliates and assignees. In addition, defaulting Buyers will be deemed to have granted to Stack's Bowers, its affiliates and assignees, a security interest in: (x) the purchased lots and their proceeds, and (y) such sums or other items and their proceeds, in the possession of Stack's Bowers, its affiliates or assignees, to secure all indebtedness due to Stack's Bowers and its affiliated companies, plus all accrued expenses, carrying charges, seller's fees, attorney fees, and costs, until the indebtedness is paid in full. Buyer grants Stack's Bowers the right to file a UCC-1 financing statement for such items, and to assign such interest to any affiliated or related company or any third party deemed

appropriate by Stack's Bowers. If the auction invoice is not paid for in full by the Default Date, a carrying charge of one-and-one-half percent (1-1/2%) per month may be imposed on the unpaid amount until it is paid in full. In the event this interest rate exceeds the interest permitted by law, the same shall be adjusted to the maximum rate permitted by law, and any amount paid in excess thereof shall be allocated to principal. Buyer agrees to pay all reasonable attorney's fees, court costs and other collection costs incurred by Stack's Bowers or any affiliated or related company to collect past due invoices or to interpret or enforce the terms hereof or in any action or proceeding arising out of or related to the Auction Sale. Stack's Bowers reserves the right to assign its interest to any third party. To the extent that the Buyer for any lot consists of more than one person or entity, each such person or entity is jointly and severally liable for all obligations of the Buyer, regardless of the title or capacity of such person or entity. Stack's Bowers shall have all the rights of a secured creditor under Article 9 of the California Commercial Code and all rights of the consignor to collect amounts due from the Buyer, whether at law or equity.

9. Shipping. It is the Buyer's responsibility to contact Stack's Bowers after the sale to make shipping and packaging arrangements. Due to the fragile nature of some lots, Stack's Bowers may elect not to assume responsibility for shipping or packing, or may charge additional shipping and handling. Lots indicated as being "framed" or that are specifically identified in the catalog are shipped at Buyer's risk. All taxes, postage, shipping, if applicable, handling, insurance costs, the Buyer's Premium, and any other fees required by law to be charged or collected will be added to the invoice for any lots invoiced to Buyer. All lots shipped to foreign countries will be billed an additional one-half percent (1/2%) for insurance (minimum of \$10). For any lots delivered outside the United States, the declaration value shall be the item's hammer price plus its buyers premium. Auctioneer shall not be liable for any loss caused or resulting from seizure or destruction under quarantine or customs regulation or confiscation by order of any government or public authority. All lots will be shipped FOB Destination, freight prepaid and charged back. Title and risk of loss pass to the Buyer at the destination upon tender of delivery. Acceptance of delivery constitutes acceptance of the purchased lots. Inspection of the purchased lots is not required for acceptance. Any and all claims based upon Buyer's failure to receive a purchased lot, Buyer's receipt of a lot in damaged condition, or otherwise related to delivery, must be received in writing by Stack's Bowers no later than the earlier of thirty (30) days after payment, or the date of the Auction Sale (the "Outside Claim Date"). As Buyers may not receive notification of shipment, it is Buyer's responsibility to keep track of the Outside Claim Date and make timely notification of any such claim. The failure to make a timely claim, time being of the essence, shall constitute a waiver of any such claim. Orders paid by credit card will only be shipped to the verified address on file with the credit card merchant.

10. DISCLAIMER AND WARRANTIES. NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS MADE OR IMPLIED ON ANY LOT. NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, IS MADE WITH RESPECT TO ANY LOT EXCEPT FOR WARRANTY OF TITLE, AND IN THE CASE OF TITLE, AUCTIONEER IS SELLING ONLY THAT RIGHT OR TITLE TO THE LOT THAT THE CONSIGNOR MAY HAVE AS OF THE AUCTION SALE DATE. ALL LOTS ARE SOLD "AS IS" AND WITH ALL FAULTS. PURCHASER HEREBY ASSUMES ALL RISKS CONCERNING AND RELATED TO THE GRADING, QUALITY, DESCRIPTION, CONDITION, AUTHENTICITY, AND PROVENANCE OF A LOT.

a. COINS AND CURRENCY LISTED IN THIS CATALOG GRADED BY PCGS, NGC, ANACS, ICG, PCGS CURRENCY, PMG, PCGS BANKNOTE GRADING, CMC OR ANY OTHER THIRD PARTY GRADING SERVICE OR EXAMINED BY THE BUYER PRIOR TO THE AUCTION SALE MAY NOT BE RETURNED FOR ANY REASON WHATSOEVER BY ANY BUYER, EXCEPT FOR CLAIMS RELATED TO AUTHENTICITY.

b. For non-certified coins and currency that have not been examined by the Buyer prior to the Auction Sale: if it is determined in a review by Stack's Bowers that there is a material error in the catalog description of a non-certified coin or currency or the coin or currency is not authentic, such lot may be returned, provided written notice is received by Stack's Bowers no later than seventy-two (72) hours of delivery of the lots in question, and such lots are returned and received by Stack's Bowers, in their original, sealed containers, no later than fourteen (14) calendar days after delivery, in the same condition the lot(s) were delivered to the Buyer, time being of the essence.

Terms & Conditions (cont.)

c. If an item or items are returned pursuant to the terms herein, they must be housed in their original, sealed and unopened container.

d. Late remittance or removal of any item from its original container, or altering a coin constitutes just cause for revocation of all return privileges.

e. Grading or condition of rare coins and currency may have a material effect on the value of the item(s) purchased, and the opinion of others (including independent grading services) may differ with the independent grading services opinion or interpretation of Stack's Bowers. Stack's Bowers shall not be bound by any prior, or subsequent opinion, determination or certification by any independent grading service.

f. Questions regarding the minting of a coin as a "proof" or as a "business strike" relate to the method of manufacture and not to authenticity.

g. All oral and written statements made by Stack's Bowers and its employees or agents (including affiliated and related companies) are statements of opinion only, and are not warranties or representations of any kind, unless stated as a specific written warranty, and no employee or agent of Stack's Bowers has authority to vary or alter these Terms and Conditions of Auction Sale. Stack's Bowers reserves the right to vary or alter the Terms of Sale, either generally or with respect to specific persons or circumstances, in its sole discretion. Any variation or alteration shall be effective only if in writing and signed by an officer of Stack's Bowers authorized to do so.

h. Stack's Bowers is acting as an auctioneer. Title to the lots purchased passes directly from the Consignor to the Buyer. Accordingly, Stack's Bowers is not making, and disclaims, any warranty of title.

i. Bidder acknowledges that the numismatic market is speculative, unregulated and volatile, and that coin prices may rise or fall over time. Stack's Bowers does not guarantee or represent that any customer buying for investment purposes will be able to sell for a profit in the future.

j. Bidder acknowledges and agrees that neither Stack's Bowers, nor its employees, affiliates, agents, third-party providers or consignors warrant that auctions will be unimpaired, uninterrupted or error free and accordingly shall not be liable for such events.

11. Waiver and Release. Bidder, for himself, his heirs, agents, successors and assignees, generally and specifically waives and releases, and forever discharges Stack's Bowers, and its respective affiliates, parents, officers, directors, shareholders, agents, subsidiaries, employees, managers and members and each of them, and their respective successors and assignees from any and all claims, rights, demands and causes of actions and suits, of whatever kind or nature, including but not limited to claims based upon Auctioneer's negligence, whether in law or equity, tort or otherwise, whether known or unknown, suspected or unsuspected (a "Claim"), which Bidder may assert with respect to and/or arising out of, or in connection with any challenge to the title to or authenticity of any goods purchased, the sale itself, any lot bid upon or consigned, and/or the auction, except where such Claim is otherwise expressly authorized in these Terms of Sale. It is the intention of Bidder that this waiver and release shall be effective as a bar to each and every Claim that may arise hereunder or be related to the Auction Sale, and Bidder hereby knowingly and voluntarily waives any and all rights and benefits otherwise conferred upon him by the provisions of Section 1542 of the California Civil Code, which reads in full as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR."

12. Disputes. If a dispute arises concerning ownership of a lot or concerning proceeds of any sale, Stack's Bowers reserves the right to commence a statutory interpleader proceeding at the expense of the Consignor and Buyer and any other applicable party, and in such event shall be entitled to its reasonable attorneys' fees and costs. Stack's Bowers reserves the right to cancel or postpone the Auction Sale or any session thereof for any reason whatsoever. No Bidder shall have any claim as a result thereof, including for incidental or consequential damages. Neither Stack's Bowers nor any affiliated or related company shall be responsible for incidental or consequen-

tial damages arising out of any failure of the Terms of Sale, the auction or the conduct thereof and in no event shall such liability exceed the purchase price, premium, or fees paid. Rights granted to Bidders under the within Terms and Conditions of Auction Sale are personal and apply only to the Bidder who initially purchases the lot(s) from Stack's Bowers. The rights may not be assigned or transferred to any other person or entity, whether by sale of the lot(s), operation of law or otherwise. Any attempt to assign or transfer any such rights shall be absolutely void and unenforceable. No third party may rely on any benefit or right conferred by these Terms and Conditions of Auction Sale.

Any dispute arising out of or related to these Terms of Sale, the Auction Sale or any lot, with the sole exception of actions by Stack's Bowers to collect amounts owed to it and other damages, shall be submitted to binding arbitration pursuant to the commercial arbitration rules of the American Arbitration Association, with any arbitration hearing to occur in Orange County, California. Absent an agreement of the parties, the arbitrator shall limit discovery to that which is necessary to enable the hearing to proceed efficiently. The arbitrator shall not have the power to award punitive or consequential damages, nor alter, amend modify any of the terms of this Agreement. The award by the arbitrator, if any, may be entered in any court having jurisdiction thereof. Each party shall pay one-half the costs of the arbitration. Bidder acknowledges and agrees that the competent courts of the State of California shall have exclusive in personam jurisdiction, subject to the requirement to arbitrate, over any dispute(s) arising hereunder, regardless of any party's current or future residence or domicile. Bidder further agrees that venue of the arbitration proceeding shall be in Orange County, California; and any court proceeding shall be in the Orange County Superior Court, in the State of California, and in each case waive any claim of Forum Non Conveniens. Bidder agrees that any arbitration or legal action with respect to this Auction Sale is barred unless commenced within one (1) year of the date of this Auction Sale. AUCTION PARTICIPANTS EXPRESSLY WAIVE ANY RIGHT TO TRIAL BY JURY.

13. General Terms. These Terms and Conditions of Auction Sale and the auction shall be construed and enforced in accordance with, and governed by, the laws of the State of California, regardless of the location of the Auction Sale. These Terms of Sale and the information on the Stack's Bowers' website constitute the entire agreement between the parties hereto on the subject matter hereof and supersede all other agreements, understandings, warranties and representations concerning the subject matter hereof. If any section of these Terms of Auction Sale or any term or provision of any section is held to be invalid, void, or unenforceable by any court of competent jurisdiction, the remaining sections or terms and provisions of a section shall continue in full force and effect without being impaired or invalidated in any way. Stack's Bowers may at its sole and absolute discretion, make loans or advances to Consignors and/or Bidders.

Bidding in this auction sale constitutes unconditional acceptance by the Bidder of the foregoing terms of sale.

Please note: Transparent holders in which the auction lots are stored are to facilitate viewing and inspection of the lots and ARE NOT for long-term storage.

PCGS and NGC numbers provided are for bidder convenience only, we do not guarantee their accuracy. An incorrect PCGS or NGC number is not grounds to return a lot.
